Council, Idaho 83612

Dear Ms. Langston-Groves:

I'm deeply sorry I was unable to join you on Tuesday for your open house and the unveiling of your new tele-pharmacy at the Adams County Health Center. Lieutenant Governor Ricks spoke very highly of the event, and of the outstanding job that you've done in making sure that residents of Adams County have access to quality health care.

The work that you've done in Council sets a remarkable example for other rural communities in our state. It also speaks volumes about your own management capabilities and of the character of the citizens in your community. Congratulations for a job well done!

I'd like to express my gratitude for the warm recognition that you bestowed upon me, Denise. It's appreciated more than you know. I'm just glad that I could play a small role in this project that will so greatly improve the quality of life for the citizens of Adams County. There are times when being Governor is a very rewarding experience. This is one of those times.

Also, thank you very much for the beautiful plaque and the t-shirt. While I don't normally wear t-shirts to the office, you can count on me to wear it at the ranch! Should you have a chance to visit my office at the Capitol, you'll be pleased to see my plaque hanging in a place of distinction, for all to see, in our office foyer.

Very Truly Yours,

A large, stylized handwritten signature in black ink, consisting of a large loop on the left and several horizontal strokes on the right.
